ILLUSTRATIVE SAMPLE · NOT CLIENT WORK

SAMPLE SHEET P-001

The riser diagram of the small building drawn on plumbhub.us. The sample workbook counts every pipe, fixture and device from this sheet, and each line of the workbook names it.

COLOUR KEY

- Copper: domestic cold, hot and hot return
- No-hub cast iron: sanitary, waste and vent
- Steel, painted red: sprinkler

ON A REAL JOB

- Your issued sheets come back marked by system, with position numbers that match the workbook.
- Anything the drawings do not show or size is a written question, never a guess.
- Quantities and labor hours in your units; you price your own bid.

TAKEOFF ON THIS SHEET

Pipe 601 ft · 121 fittings · 31 valves · 8 fixtures · 11 sprinkler heads.
